9. If a full eCommerce site is required, payments via the web page will be managed by Curlbrook with their established PayPal system as long as the *client's* website remains hosted by Curlbrook. Full details of how this arrangement works will be available to any *client* interested in selling their products or services directly through their website.
10. **Data Protection.** We save only a minimum amount of data in order to make the competition fair for all entrants. By entering the competition you automatically give permission for Curlbrook to save the data you provide. We guarantee that the information you provide is only accessible to Curlbrook and will never be shared with any other organisation or individual. You may have all your details removed from our database at any time by emailing the single word 'REMOVE' to [2020comp@curlbrook.co.uk](mailto:2020comp@curlbrook.co.uk).
11. The Free Website offer is subject to the terms and conditions defined in this document. The offer is made in good faith and Curlbrook will do its utmost to create a new, modern, responsive and acceptable website for the competition winner. However, in the event of unforeseen circumstances (such as serious illness or accident for example, or for any other reason whatsoever) which makes it impossible for Curlbrook to complete the website, then Curlbrook and its owners accept no liability for loss or costs of any kind.
